CANCER - MARVELOUS DISCOVERY OF AN CANCER.—MARVELOUS DISCOVERY OF AN Obio physician that cires the most dreaded of all human afflictions. The remedy is applied by the patient at home, thus saving the doctor's fees and avoiding dangerous surgical operations. There is no longer any need to fear cancer. He has finally been persuaded to send to all who suffer with cancer a full description of his method so that everyone may know from personal experience that cancer can be surely cured without the knife at their own home.
